**Thank You To ADS For
Generously Providing Lunch.**

Come and enjoy a wonderful day of fun and fellowship while supporting the work of Oxford Houses of North Carolina Training/Workshops.

This year's event will be held Friday, April 20th, 2018 at the **River Ridge Golf Club** in Raleigh, NC. Landscape architect Chuck Smith designed one of the jewels of his career in River Ridge by carving six par-4s and an 18th hole par-5 into the unique landscape created by the ravines and rolling hills of the nearby meandering Neuse River. With arguably some of the most varied terrain and thoughtfully crafted holes in the Triangle, River Ridge is artfully cut from its natural surroundings to create a perfect blend of impeccably maintained course conditions that are in harmony with nature. We invite you to take your game experience to the next level; treat yourself to the remarkable variety of wetlands, lakes, large rock outcroppings, and gentle hills while improving the physical and mental aspects of your game.

Golf attire is required. Collared Shirts. No steel spikes are allowed on the course. All participants must be at least 7 years of age.

We ask that there be no consumption of alcoholic beverages at this event.

Oxford House™ is a concept in recovery from drug and alcohol addiction. In its simplest form, an Oxford House describes a democratically run, self-supporting and drug free home. Parallel to this concept lies the organizational structure of Oxford House, Inc. This publicly supported, non-profit 501(c)3 corporation is the umbrella organization which provides the network connecting all Oxford Houses and allocates resources to duplicate the Oxford House concept where needs arise. As of January 2018 North Carolina has over 240 homes which area part of an international network of more than 2300 Oxford Houses. Visit our national website for more information www.oxfordhouse.org
